

Honoring Memories

Where Memories Live

Corporate Donor Program

Honoring Memories is about providing support to those who have lost a loved one by helping them design a customized memorial honoring their lives. We offer a way to celebrate their life and share it with family and friends. Our services include the design and development of an individualized web tribute and a variety of printed material.

MARKET ANALYSIS:

Extensive market research shows that there is an unmet need for families to share their memories of those they have lost, with friends and family all over the country, even all over the world. Honoring Memories customized online memorials can fulfill this need.

WHAT SETS US APART?

Though there are other online memorial services available, our compassion and understanding sets us apart from the others. Honoring Memories offers a unique, one of kind online tribute, tailoring each website to the customer's taste and wishes. Most importantly, we do not use anyone's personal memorial as a sales gimmick.

MUTUAL BENEFIT

Honoring Memories is reaching out to select organizations, seeking collaborations to expand its reach and achieve the following objectives:

1. Helping families cope with grief by offering a meaningful way to create an enduring tribute to honor, celebrate and memorialize a family member or friend.
2. By donating a considerable percentage, up to 75%, of each sale, we are able to help families in their time of need through the support of worthy organizations, such as yours.
